The Company

JOE ALLAINE As it's been said so many times, "The actor is Joe Allaine and Joe Allaine is the actor." (We're still searching for the people who keep saying that.) While many (some?) (...one??) of you may recognize him from zillions of past performances at the Megaw (last seen as one of the redoubtable Villains in CURSE YOU VILLAIN), around town (in other stuff at other theatres) (perhaps even at Disneyland), on T.V. (in commercials and things), and on the big screen (in a movie that will... fortunately for you... remain unnamed) there will be those of you that will surely ask, "Why Joe Allaine?" Indeed! Why not?

TIMOTHY BERRETH (*Lighting Design & Multi-Media*) Prior to designing the lights for the stunning production of TWO BY TWO, Tim was resident designer for USA Television's production of ALIVE AND WELL, as well as ON CAMPUS for KCET. Lighting design credits for the stage include AGNES OF GOD, THE UNION FOREVER for Pasadena Boys Choir, and THE MUMS at the Matrix. Tim is also a professional photographer specializing in theatrical portrait and production photography.

STEVEN APPLEGATE (*Music Director & Arranger*) prides himself on being a self-taught musician who began his professional career at age 17. With over 70 productions in his past, his credits include CABARET, SHOWBOAT, RUNAWAYS, WORKING, HELLO DOLLY, touring companies of GODSPELL, JAQUES BREL..., and the San Francisco productions of THE ROCKY HORROR SHOW, and at the Megaw for the past 5 years. He's produced three original cast albums and a soon to be released Christian album featuring Marcia Lisle. He teaches in his studio at home and is Director of Music at a local church.

KEN BOUCHARD, a native Bostonian, performed there in OKLAHOMA, MAN OF LA MANCHA, THE FANTASTIKS, FIDDLER ON THE ROOF, RASHOMON and DARK OF THE MOON. Ken's L.A. debut was in the Megaw's SOLITARE/DOUBLE SOLITARE and on to KISS ME KATE, THE PAJAMA GAME, THE RECEPTIONIST, THE BOYS FROM SYRACUSE and the Frenchman in VERY GOOD EDDIE. He helps produce the Oscars, the Emmys, AFI tributes and various music award programs. His film and TV credits include KING KONG, NEW YORK, NEW YORK, THREE'S COMPANY, BARNABY JONES, and the pilot CATCH MY DRIFT.

JEFFREY BRYAN returned to Los Angeles two years ago after a four year stint in N.Y. where he appeared on Broadway and in the 1st National touring company of PIRATES OF PENDZANCE and numerous summer stock theatres. He has appeared in the award winning Megaw productions of THIEVE'S CARNIVAL and TWO BY TWO. He wishes all the best to the theatre in future endeavors.
